In June of 2018, Homage purchased a building located in Lynnwood, WA. This was a purchase and remodel, so there were no displaced residents or negative impact in the community as the building was used for retail business for over 50 years prior.

Language Assistance Plan for Persons with Limited English Proficiency

Assessment of Language Needs and Resources

The need and resources for LEP language assistance were determined through a four-factor analysis as recommended by FTA guidance.

Factor No. 1: The number or proportion of LEP persons in the service area.

Data from the U.S. Census Bureau’s American Community Survey (ACS) were obtained through WSDOT’s ALPACA Tool for Homage Senior Services’ service area (see Map 1). The agency’s service area includes a total of 24,289 or 3.2% persons with Limited English Proficiency (those persons who indicated that they spoke English “not well,” and “not at all”).

**Access to services for persons with limited English proficiency (LEP):**

Senior Services mission is to make all services accessible to everyone. Our current programs are designed and funded to serve LEP persons. Senior Services annually reviews Snohomish County’s census data and works with the Snohomish County’s Long Term Care and Aging Division to identify minorities and LEP persons. Senior Services currently serves above and beyond the county’s demographics. In our multi-cultural events, Homage engages with different populations where English is their second language, see the table above for included languages. These events occur weekly and through the outreach coordinators, Homage is able to bridge the communication gap for these ethnic groups a minimum of one day per week. The staff are well aware of the use of our language line. When a client needs translation assistance they are guided to use the language in order to communicate effectively in their primary language.

Homage Senior Services has a bi-lingual staff in approximately six different languages that translate, interpret and provide services to the community through our Multi-Cultural Services (see above).

Homage Senior Services provides a significant impact to the community; partnering with numerous local organizations, educational systems, government, religious organizations and local business to best serve the community. Many of our clients participate on advisory boards or focus groups to assist us in evaluating the service of our programs.
