

Minor Home Repair

Maintaining a healthy and safe home is a difficult task, especially on a fixed income. Minor Home Repair assists low- and moderate-income senior and disabled homeowners by providing health and safety related repairs that they cannot perform due to lack of funds and/or inability to physically perform the repairs themselves. Our purpose is to enable people to remain in their homes as long as possible.

We offer the following services:

- Plumbing/sewer repair
- Heating repairs
- Minor carpentry
- Ramp repair/handrails/grab bars
- Limited roof repair
- Security devices/locks
- Door/window repair
- Smoke alarms/carbon monoxide detectors

Who may benefit from Minor Home Repair services:

Low- and moderate-income homeowners 62 and older or disabled homeowners 18 and older. Our program uses government grants and private donations to provide labor at no charge and materials either free or at cost, depending on your income level. Donations are welcome.

Grants provided by Snohomish County, City of Everett, and City of Marysville CDBG Programs and City of Bothell.
